

ANNUAL REPORT 2021-22

14th Annual Day Report

Tuesday, the 11th June, 2022

DR.J.D.Darwin, M.E., Ph.D.,

***Loyola* Institute of Technology and Science**

Thovalai, Kanyakumari Dt – 629 302.

Annual Report-2021 – 22

Education is the passport to the future, for tomorrow belongs to those who prepare for it today. – Malcolm X

Good morning to all of you. I welcome you all to the 14th College Day celebration of our institution. Ladies and gentlemen, college day is an occasion to look back and rejoice at our accomplishments, cherish the fond memories, introspect on our shortcomings, and resolve to become a better version of ourselves in the forthcoming years.

Today everything around us has changed dramatically and teaching-learning has become completely remote. Almost for 2 years we had been under locked down and the educational institutions were closed due to the pandemic and when we look back, the way we have handled the new normal way of education is amazing. I am proud of our staff and students who adapted quickly to the challenging times not just to cope with the situation but also to win. I am also thankful to the management specially our chairman Dr.M.T.Nicholas for the support extended to make it possible. I want to place on records, our beloved chairman has provided the salary to all the staff even during the locked down when most of the institution did not.

The pandemic affected all of us, especially the energetic teens staying indoors. We have left no stone unturned to keep our young minds active, healthy and constructive during this adverse circumstance. The even semester of the academic year 2021-22 had been very successful in regular mode. With all pride, I present the annual report listing down our activities and accomplishments for the period from July 2021 to June 2022.

About LITES

Started in the year 2008, Loyola Institute of Technology and Science- LITES is situated amidst sylvan surroundings with mountainous background

in a rural setting in Thovalai, Kanyakumari District, Tamil Nadu, India. The founder of the institution, Dr.M.T.Nicholas formerly the DGM of ISRO & Principal of Karunya Institute of Technology,Coimbatore. He has wide exposure to educational institutions throughout the Western World. He is always interested in uplifting the poor and the downtrodden. He provides financial help to those who are unable to pay the fees and thus encourage the financially backward families to get educated. We consider him as an educational missionary.

According to the Vision of our Chairman we give our best to improve the standard of the students in terms of Curricular, Extracurricular and Co-curricular activities. We have a line of well-qualified Professors and Teaching Research Associates to cater to the needs of the students as is prescribed by the Anna University. The teachers not only teach the subjects to the students, but also mentor the students by establishing a good rapport with the students and maintaining a personal relationship with them. In fact they act as counsellors to them and if they need psychological help counselling sessions are arranged for them with trained psychological counsellors. Raw graduates who enter the institution for teaching are given adequate training before they are allotted to handle the classes for the students.

Presently our college is offering 9 UG and 4 PG courses

UG Courses

- ❖ B.E – Bio Medical Engineering
- ❖ B.E - Computer Science and Engineering
- ❖ B.E – Civil Engineering
- ❖ B.E – Electrical and Electronics Engineering
- ❖ B.E – Electronics and Communication Engineering
- ❖ B.E – Mechanical Engineering
- ❖ B.E – Robotics and Automation Engineering
- ❖ B.Tech – Agricultural Engineering

❖ B.Tech – Information Technology

PG Courses

- ❖ M.E – Applied Electronics
- ❖ M.E – Computer Science and Engineering
- ❖ Master of Business Administration (MBA)
- ❖ Integrated MBA

This is an institution which has gained a good reputation in the Southern region of Tamil Nadu and it lives up to its reputation and ideals. It is an institution which follows the rules that it sets. We are closely associated with The Society of Jesus – SJ Jesuits. A city set on a hill cannot be hid. Commitment, sincerity and loyalty are the watch words of LITES. With the guidance of the Almighty we shall continue to shine and illuminate this part of our nation.

New Initiatives

Though we have very good system in place, the year 2021-22 has been very effective in terms of new addition

- This academic year we have added yet another feather in our cap. We have started offering a new programme, **B.Tech - Agricultural Engineering**.
- **New NCC unit** (NCC Coy 202/ 21-FSFS) was inaugurated on 23rd July 2021. We have 27 young champs being trained under the guidance of Mr.Abilash V.M AP, Mechanical Engineering Department. Two cadgets namely Ms.Puspavalli of II IT has got selected in ThalSainik Camp and Mageswaran.S of CSE has got selected for the next level republic day camp.
- **AICTE funded project** under MODROB was sanctioned for setting up Artificial Intelligence laboratory in our college for an amount of Rs.15Lakhs.
- Loyola Arts and Cultural Centre organized an **Intra college cultural program** from 7th to 13th August 2021. Students from each department competed against one another by demonstrating their hidden abilities. Singing, group dance, fashion show, footloose, and other events were held.

The Department of Management Studies outperformed the competition and was awarded the rolling trophy.

- Our college has embarked on a new venture to include our students in research by signing a Memorandum of Understanding with Rajaduari Innovations to conduct a **research study** on Nano carbon and its uses. Twenty of our students (10 from ECE, 05 from Mechanical and 05 from BME) were chosen for the project, and they are performing exceptionally well. The students are A. Joshua sekar ,B.Sindhu, G.m.Krishna, S.Pon Abina, Rashmi Sree, N.Malini, M.Monica, Sweena silvya j, K.Sundarapandiyam, E. Selvakumar, Arockia deva sahaya linish, Esakki raja gopal b, M.selava kumar, Abisha j, Muppidathi.a, Maha Sree, Kasim Kalam A P J K, p Aathish raja, Subothini.A, Viona.
- **English Club** was started on 01st April 2022 , with the goal of training students from rural backgrounds in communication skills so that they can speak English well. Through this training, 20 students have developed their speaking skills and are now able to communicate effectively.

MOUs Signed

We have been signing MoUs with leading industries and institutes that guide our students for job placement and higher education. This year we signed MoU with;

- Raja Durai Innovations for research
- Jayasekharan Hospital for Bio medical students training.

Events Organized

- Sports Camp was organized in our campus from 19th to 23rd July 2021, where students from different school participated and trained themselves.

- Loyola Feast was celebrated in our campus on July 31st 2021 to commemorate the birthday of our patron St. Ignatius of Loyola.
- 13th Graduation Day was organized in our campus on 16th Oct 2021, Where Dr. T. Mano Thangaraj current Minister of Information and Technology of Tamil Nadu presided the function and students received their degree certificates.
- On the 22nd of December 2021, a Christmas day function was held. The function was presided over by Dr. J.A. Jayalal, the president of IMA.
- Pongal festival was celebrated in a grand manner on 12th Jan 2022, where staff members prepared Pongal sweets department wise and various traditional games were conducted.
- A special program had been organised for the hostel students to make them to know about aboriginal of Tamil language, beauty of Tamil culture, and history of Tamilians from April 4th to April 6th, 2022, Mr.S.Kappidurai, a Tamil researcher addressed the students and instilled a patriotic feeling among our students., addressed the students
- On April 22nd 2022 International earth day was celebrated in our campus. Dr.Raja Durai of Rajadurai Innovations along with the research team participated in the program and planted tree in the ladies hostel premises.

Departmental Activities:

- On 20 Nov 2021, an **Online Guest lecture** on “Li-Fi Technology” was given to the ECE and Robotics students by Mrs.Dhana Sony, AP, Department of Biomedical Engineering at Veltech Dr.RR & Dr.SR University.
- A **one-day seminar** on crop production principles was offered to 43 first-year agricultural students on 31st March 2022. In the morning session, Mr.M.Ashok Macrin (Rtd. Deputy Director of Horticulture) and Dr.S.Prakash shared their words to the students. Students were taken to Finura Bioteks, Thovalai, for a practical session in the afternoon.

- Department of Mechanical Engineering organised a **Guest lecture** on Fundamentals of Heat and Mass transfer by Dr.M,Edwin Sr.Asst, Professor, UCEN on 08th April 2022.
- On 9th April 2022 department of computer science and IT organized a **invited talk** on “DBMS” by Dr.G.Hariharan from PSN Engineering college.
- Department of Bio medical organized a national level technical symposium **“MEDIQUEST’22”**. Dr.Radhakrishnaan, Former Dean of Medical college presided the function Around 130 students from various colleges attended the function.
- **Motivational Talk** by Air Veteran Tamilarasan was given to the Management Department Students on 20th April 2022.
- Mechanical Engineering Association MEXANIK -22 organised a **Technical Talk** on 09th May 2022, where Dr.G.R.Jinu from University college of Engineering addressed the students.
- It is the need of the hour to align the students towards the current trend and by reducing the gap between colleges and industries. On rising to the occasion this year, Department of ECE & Robotics organized a robotics **workshop** in our Institution where industrial experts from IM Robotics, Tenkashi trained our students for period of one week.
- On May 30 2022 CSE and IT students attended a **guest lecture** in cloud computing by Gavasakar from Allibaba cloud software in our campus.
- The Department of Electronics and Communication hosted a national level technical symposium called '**ECLATECS 2K22**' on June 1, 2022. The event was presided over by Mr.Rosario, a retired professor from Scott Christian College. Participants came from a various college in the Kanya Kumari district and surrounding areas. There were events such as paper presentations, circuit debugging, connections, technical quizzes, and games. The overall championship was won by Marephrem College of Engineering.
- A national level technical symposium '**ARGYLIA-22**' hosted by the Department of Management Studies was held on 02nd June 2022. Events

like Best manager, Business proposal, Business Quiz, Adzap and corporate show was conducted. Participants from both technical and arts colleges exhibited their talents. Dr. Wilfred Raju, Managing Director of Raj Info Biz Solution private limited presided the function.

- On 3rd June 2022, a national level scientific symposium ' **Electecnix'22**' organized by the Electrical and Electronic Engineering Department took place. Er.Kavin, Managing director, AB Technologies presided over the meeting. Students from various colleges participated in events like Paper presentation and Circuit Debugging and exhibited their talents.
- A national level technical symposium '**Mech Kshetra 2K22**' hosted by the Department of Mechanical Engineering was held on 04th June 2022. DR.T.P.D.Rajan, Principal Scientist CSIR, Trivandrum presided the function. Events like Paper presentation, Poster Presentation, Technical Quiz and Project Expo were conducted.
- On 06th June 2022 a national level technical symposium '**SRISHTI 2K22**' organized by the Civil Engineering Department was held. The function was presided by Er.M.R.Mohan (Rtd. Executive Engineer,PWD).
- Department of Computer Science Engineering & Information technology organized a national level technical symposium ' **TechKriti 2k22 on 8th June 2022**. Mrs.C.Shanthi,Associate consultant - software testing Engineer at Atos Syntel,Gangaikondan.

Faculty Accomplishments:

We are proud of our Faculty and staff, their dedication and Commitment. We have 80 Faculty Members on rolls and 22 technical supporting staff.

We have 12 Faculty with Ph.D, 2 Professors with Ph.D, 4 Asso. Professors with Ph.D, 6 Asst. Profs with Ph.D and 07 Asst. Professors are pursuing Ph.D. All members are with PG qualification.

In LITES we encourage the students and faculty to have their orientation towards research, as an outcome of this mission, many students and faculty

have presented and published papers, and a number of faculty members are pursuing research programmes for their Ph.D degree.

Staff members **completed their PHD** during last year are,

Dr.Thiruvazhi Marba Pillai in Mathematics , Dr.Ferlin Deva sahila and Dr.Deepa in Information and Communication, Dr.Nandhakumar in Library Sciences and Dr.Bala Murugan in English.

The members of Faculty who are pursuing research are as follows,

CSE –Mrs.Sahaya Jeniba, Mr.Amala Dhaya , Mrs.Shakeela Joy , Mr.Arul rex & Mrs.Merry Ida.

ECE - Mr.Ajin

MBA – Mrs.D.Amutha

- **Dr. Gladrene Sheena Basil**, Associate Professor, CSE acted as Resource Person and also attended a two-days National-Level Faculty Development Programme on the Essentials of Intellectual Property Rights and Advanced Image Processing from 18th to 19th June 2021.
- **Mrs. Merry Ida**, has got NPTEL Online Certification on Design and Analysis of Algorithm (8 week program) conducted during August to October 2021. She has also completed a **live master class on Google Ads** conducted by skill nations on 28th May 2022.
- **Mrs.Shakeela Joy**, AP of CSE has attended a webinar on Dynamic Routing Using Cisco Packet Tracer and Security Issues in IoT at SMTECM on 04th and 6th July 2021. She has also attended a webinar on Mobile Forensics using Encase and Technological Breakthrough in Measuring Human Pain Using Pain Inducer at FX Engg. College-Vannarapetti on 09-07-2021.
- **Dr.A. Jegatheesh**, AP of BME has participated in a CSIR sponsored two days national level Technical seminar on “Application of spintronics Technology in Neumorphic Computing for AI”, organized by Erode Senguthanar College on 10th and 11th March 2022.

- **Dr.Shunmuga Priyan**, Associate professor , Mechanical has submitted a book project for review “High Entrophy Alloys – Recent Advances, New Prespective and Applications”.

The list of papers published by staffs in various journals are listed below,

Sl.No	Name	Dept	Topic	Name of the Journal
1	Shakeela Joy A.	CSE	Smart Card Authentication Model Based on Elliptic Curve Cryptography in IoT Networks	International Journal of Electronic Security and Digital Forensics
2	SahayaJeniba	CSE	A multilevel self-attention-based segmentation and classification technique using Directional Hexagonal Mixed Pattern algorithm for lung nodule detection in thoracic CT image	Int Journal Imaging Syst Technology
3	A.Merry Ida	CSE	Secured user Participation in Offline Event Marketing using Location Based Social Network and Participant Interest	International Journal of Recent Technology and Engineering (IJRTE), Volume-8, Issue-2S11, September 2019
			A Convolutional Neural Network Based Skin Lesion Segmentation from Dermoscopy Images	Turkish Journal of Computer and Mathematics Education 2021, Vol.12 No.10
4	Dr.Ferlin Deva Shahila	ECE	Automated Wireless Power Transmission Using Lora Technology	International Journal of Scientific Research in Science, Engineering and Technology
5	D.Evangelin	EEE		
6	Dr.A.Jegatheesh	BME	A novel ANIFIS based SMC with fractional order PID controller	Journal of Intelligent Automation and soft computing

7	Dr.Nandhakumar	Librarian	Impact of covid-19 pandemic on library services among the engineering colleges on kanyakumari district: a survey	Journal of Library Advancements.
---	----------------	-----------	--	----------------------------------

Student Activities and Achievements:

Many of our students also have presented papers in National level technical symposium, national conferences etc. and won prizes. They are,

CSE:

- Ms.Sneha.G, Ms.Prathisha.M of II year has presented a paper at a national level symposium organized by Dr.M.G.R.University on 14th August 2022.
- Ms.Pani Princy, Ms.Sneha.G Ms.Jothikha.J and Ms. Archana .S of II year has participated in Jumble Tumble, D-Bug –Fest, Web-De-Tech and Connections at Dr.M.G.R.University on 14th August 2022.
- Ms.Sukisha.M has presented a paper and participated in a debugging event at a national level Technical symposium organized by Ponjesly college of Engineering.
- Ms.Abina.J.S has completed courses on Microsoft Security, Compliance and FORAGE. She has also attended TCS ICON CARRER programme.

IT

- Ms.Jeeva Balin of IV year has done a certificate course on HTML on 11th August 2021.
- Mr. Syed Abuthakir.S of II IT has completed a HTML and CSS Course.

- Ms.Ausmathi of Third IT has presented a project in a national level Technical symposium organized by Rohini College of Engineering.
- 23 students of the department has attended online webinars.

ECE

- S.Monica and Ms.Pon Levina won the **First Prize for quiz competition** organized by DMI college of Engineering.
- Mr.Joshua Sekar won the **First Prize for Add spoof** organized by stella Maris college of Engineering.
- Ms.Malini and Mr.Joshua Sekar won the Second Prize for quiz competition organized by DMI college of Engineering.
- Mr. Aatheeswaran R S of IV ECE has made a **model on “Make remote to control hydraulic excavator** “and presented in Kalasalingam University.
- Ms. Shruthi S Prasad; Ms. Jeena S A has presented a paper on “Smart Security and Home Automation using IOT” at SCAD College of Engineering.
- Ms. M.Maheshwari, R.shyni has presented a paper titled “6G Technology” and Ms.Devika K,M and Ms. Iswarya.M has presented a paper titled “Arduino based automatic plant watering system” at SCAD College of Engineering.
- Ms.Gomathi and B Ishwarya M has presented a paper titled “Underwater Wireless Communication Network” at a national level symposium in SCAD College
- Ms.Bubsha P has presented a paper on “IOT based home automation using raspberry Pi” at Stella Maris college of Engineering.
- 43 students of the department has attended various webinar programs through online.

EEE:

- Ms.S.Mary Veenus of III EEE has presented a paper titled “Railway Accident Avoiding System using Zigbee at Stella Maris college of Engineering.
- Mr.Darwin Bejo and Mr.Raja gopal of III EEE has presented a paper titled “Paper Battery” at Stella Maris college of Engineering.
- Second Year students Ms.Mercy Margrate and Ms. Gowsalya has presented a paper entitled “Electrical Vehicles and Ms.Bency and Mr.M Muthu Kumar has EEE has presented a paper titled “ATM Security using face reorganisation system” at Stella Maris college of Engineering.

BME

- ✓ Ms.Selva Sindhiya abd Ms.Subothini of II BME presented a paper at a National Level Technical symposium conducted at Stella Marys College of Engineering.

CIVIL

- ✓ Mr.Jaiswar won the **Second Prize for Cad Contest** organized by Amrita college of Engineering and Technology.
- ✓ Ms.Hebinisha won the second Prize for PAPER PRESENTATION organized by Amrita college of Engineering and Technology.
- ✓ Mr.Wilson, Mr.Varun ,Mr.Ajin , Ms.Kaviya and Ms.Sree Vidya has participated in Technical quiz at Amrita college of Engineering and Technology.
- ✓ Mr.Sabarish has presented a paper at a national level technical event organized by DMI college of Engineering.
- ✓ Mr.S.Abilash and Ms.Hebinisha won the First Prize for Technical Quiz organized by DMI college of Engineering.
- ✓ Mr.Shajin, Ms.Kaviya .P, Aswini S.N has won the First Prize at various events in LIVIC 22 organized by ROHINI college of Engineering and Technology.

- ✓ Ms.Sree Vidya, Mr.Abilash , Mr.Jaiswar, Mr.Shajin,Mr.Abinesh and Ms.Hebinisha has participated at various events in LIVIC 22 organized by ROHINI college of Engineering and Technology.
- ✓ Ms.Kaviya .P, Aswini S.N has won the First Prize in Treasure Hunt organized by ROHINI college of Engineering and Technology.
- ✓ Mr.Shajin has won first prize in spot photography and puzzle hunt event at ROHINI college of Engineering and Technology.
- ✓ Mr.Ajin ,Mr.Sabarish and Mr. Wilson has Paticipated in a connection event; Mr.Jaiswiar in CAD modelling at stella Mary's College of engineering. Mr.Natheesh and Mr.Sabarish had also presented a paper at the same event.

MECHANICAL

- ✓ Mr.M.Vibin, Mr.Jaya Suriya, Sargin Vijo.D, Mr.Shobin Reno and Paul raja of third year has participated in a **two days workshop on “How to 3D print”** organized by Amrita centre for Automation & Robotics at Amirta college of Engineering and technology on 18th and 19th April 2022.
- ✓ Mr.A.Mupidathi of III Year has won second prize in the CAD modelling event and participated in Technical Quiz and mechanical Puzzle at MACH 22 organized by Rohini College of Engineering.
- ✓ Mr.Selvakumar of III Year has presented a paper and participated in technical quiz ; Mr.Sathish Kumar has also participated in paper presentation and mechanical puzzle at Rohini College of Engineering.

MBA

- Ms.Rabisha, Ms.Sharomeena, Ms.AhshaJuli, Ms.Jaya sree, Ms.Swathi of III Integrated MBA participated in the Adzap event at national level Technical symposium organized by Amirta college of Engineering and technology.

- Ms.Anusha Preethi of II MBA participated in Best Manager Event and Mr.Kesavan of I MBA participated in Business Quiz event at Amirta college of Engineering and technology.

In Plant Training/ Intrenships:

Students were encouraged to undergo In-plant training during long holidays. In this academic year so far around 364 students attended training.

Industrial Visits:

Industrial visits are arranged at regular intervals to make the students understand the stark realities of life. During such visits the students get a better understanding of their subjects and they practically come to know certain scientific facts. Fifteen days of In-Plant training is mandatory for all students at the end of the sixth semester so that they get industrial exposure and hands-on training.

This year II and III year students were taken to reputed companies for one to 3 days of visit. This was highly appreciated by the student community. The lists of visits are as follows,

Sl. No	Place	Year	Dept	Date	No of Students
1	IM Robotics , Thenkashi	II, III & IV	ECE & R&A	23 rd Sep 2021	55
2	National Wind Energy in Kayathar, Tirunelveli.	III III	CSE IT	22 and 23 rd Sep 2021	54 + 32
3	Shrishti Innovative, Trivandrum.	II	CSE	24 th April 2021	43
4	IM Robotics and automation, Tenkasi	II	IT	25 th Sep 2021	42

5	JVS Electronics, Banglore	II, III	ECE & R&A	27 th April 2022	41
	KRS Dam,Mysore & Mysore Palace	II	BME	28 th April 2022	43
6	Benchmark Tea Exploratorium, Ooty	II & III Year	MBA	29 th April 2022	46
7	Green Polymers & EK Associates, Madurai	II	Mechanical	30 th April 2022	44
8	Kannan Devan Hills Plantation Company - Munnar	MBA	IV	30 th April 2022	28
9	Ooty Railway Station	II,III	Civil	02 nd May 2022	41
10	Logic software solutions	III	CSE & IT	02 nd May 2022	54 + 32
11	Solar Power Plant - Thenkasi	IV	EEE	05 th May 2022	50
12	ATR Solar	III	Mechanical	05 th May 2022	56
13	Doddabetta Tea Factory	III	Mechanical	08 th May 2022	52

Training and Placement

We give our best efforts to the students by introducing Spoken English classes and by conducting quantitative aptitude and technical aptitude classes apart from the regular curriculum. Students are encouraged to appear for competitive examinations and to help them to gain confidence; coaching classes are conducted for their benefit. In addition, students are grouped under 9 categories of Jobs according to their desire and various relevant training are given. special coaching classes are given to those who wish to appear for

Banking Exam, TNPSC exam, JEE exam and GATE. Additional certification programmes like MASTERCAM, Python Programming, AUTOCAD, MATLAB and Robotics Training are conducted for the benefit of the students. These Year 67 students of final year have appeared for GATE Examination.

- ❖ Mr.Akash. S from mechanical department has qualified GATE 2022 exam with a score of Score of 826
- ❖ 10 of our second year Computer Science students participated in a 12 week NPTEL programme.
- ❖ Three days of workshop on medical equipment was conducted for BME students by Atheena pandiyan Pvt Ltd centre.

Placement:

The ultimate aim of the placement cell is to facilitate a win – win situation to the students and the industries to expose and allow the students to identify the suitable jobs and to let the companies identify the suitable candidates for jobs in their company. This year, Out of 220 students 164 students are placed and 43 of students has more than one job offer. They are given offers in companies like CSS corp, Nirmiti Precision Pvt. Ltd, CTTI Pvt. Ltd, BYJUS, Vectone India Mobile services Pvt Ltd, Infosys etc.... The details are listed below,

Extracurricular Activities

Students who are skilful in sports and games are greatly encouraged and helped to develop their skills still further through Sports Academy of LITES . They are given free food and free accommodation. Due to the systematic training given in our institution, our college holds the Third Place among the five hundred and fifty two Engineering colleges in Tamil Nadu which are affiliated to Anna University. Every year, at least fifteen students get Form III which will enable them to get a Government Job in the near future.

This Year we are,

- ✓ Anna university interzonal cross country men overall winner
- ✓ Anna university interzonal cross country women overall winner
- ✓ Anna university interzonal weightlifting women overall third place

➤ We have 19 Form –III Holders

CULTRUAL ACTIVITIES OF LITES

In order to encourage the students who show interest in cultural activities, Loyola Arts and Cultural Cell arranges special training to those students who are interested in dance, drama, acting, story writing etc. Experts from the film industry are brought to the campus for such training. Hence our students excel in cultural competitions conducted in inter-collegiate levels.

- Mr.M.Jeno and Mr.R.Navaneetha Raja has won first prize for Mobile Photography event in Electecz – 2k22 organized by Rajas Institute of Technology on 5th May 2022.
- Mr.Siva Santhana, Mr.Karthick.A and Mr.Mathira Moorthy has won First prize in Treasure Hunt Event held at SCAD College of Engineering.
- Ms.Dorathi Jo Paulin , M.Kasim Kalam and Manikanda Poobathi of II BME Paticipated in “NEMICFEST” organized by Nesamony Memorial College of arts and Science Marthandam.

SACL Activities:

To take care of the Spiritual well being of the students and their character building we have a special dedicated department called as the Department of Value Education. The students enrolled in this department are involved in many social upliftment activities including visits to orphanages, old-age homes, shelters for the mentally retarded, spastic children etc through Social

Awareness Club of Loyola which works under the Department of Value Education. Various programmes were conducted at different schools and social centres, by our students including higher education awareness, student empowerment programmes, cultural programmes, drama, mono acting, choir etc. Such involvements inculcate leadership skills and interpersonal skills in the students.

A group of members of SACL (Students of a class, Students of a Department, Staff, etc) will meet out the expenses on a need-based activity then and there with the active support of the management.

- ❖ ECE & Robotics department had arranged for two outreach program providing food and support in CSI BLIND SCHOOL, IRAENIPURAM on 30-03-2022 and provided lunch for 75 students and on 02-05-2022 to George Miller Children's Home and provided lunch for 60 students.
- ❖ Department of Mechanical Engineering has provided lunch and spend their time with the Aram Trust home at Aralvaimozhy on 3rd May 2022.
- ❖ On April 1st 2022, Department of Computer Science arranged an outreach program providing food and support to Mentally Retarded School at Thirupathisaram and provided lunch for 50 students.

Future Plans

LITES was conceived to be one of the best Institutions, of Academic Excellence. In ten years, a solid foundation is built with a good standing in AU academics, sports and cultural activities. We look for a new beginning with a change over from moderate to excellent position.

- 10% of the I BE students shall be given special training to clear JEE exam.
- Based on their score they may get admission in IIT or NIT. Alternatively they will become sound in science subjects and take up IIT courses like NPTEL and GATE. And get employment in government.

- After their 1st year of Engineering, these **High Performing** young Loyolites will be divided into 15 groups of 20 students each. The first team of 20 students will orient themselves to prepare for the **Central Services Exam** like IAS, IPS, IFS, and IRS etc... They may take one more year (5th year) either in **LITES** or in a most **Competitive Exam Preparation Centre**. They will become a **Central Administrative Officer** one day.
- The next set of 20 high performing LITES students will become the **Central Scientific Officers** working in **ISRO** and **DRDL** type of Institutions. After tasting success, ISRO is likely to develop electric vehicles to become world pioneers. Our students will be participating in such national programmes.
- The next set of 20 students will be given 5 semesters of **International Certification Training** to man the Multinational Companies throughout the world.
- Another 20 students will be trained exclusively to develop a useful Innovative product. They will be starting their own startup companies.
- In 3 years, **LITES** will be accredited by NBA & NAAC
- Within another 3 years **LITES** will be Autonomous.
- The students after 7th semester should be doing their projects where they are placed. This process is already started.
- **LITES** will be participating in many area of Research specially Biomedical.
- Naturally, this opens the eyes of Loyolites and they will see the vast opportunities around them which will propel them to the national and International level.

Conclusion:

“Adaptability is about the powerful difference between adapting to cope and adapting to win”. This pandemic has hit us hard but at the same time it has also opened up new avenues. It has prepared us to face tough situations and win over them. Even after winning the pandemic, let us continue to capitalize on the opportunities it has revealed.

It is obvious that LITES has risen to the requirements as per the new guidelines of the AICTE, AU and the International Standards.

I take this opportunity to thank our visionary leader Dr.M.T.Nicholas; without him all these things might not have been possible.

I thank all my colleagues for their cooperation and support.

I thank all my student friends for their whole hearted involvement in all the endeavors.

With the blessings of our almighty, let us all strive together to take LITES to new heights.

We wish you all a Bright future

Thank you
